The layout and the features contained in this floor plan are merely for illustrative purposes and may not, as such, reflect the actual layout and features in any given unit. All dimensions and square footage references are approximate. Plans, materials, and specifications are subject to architectural, structural and other revisions as deemed advisable by the Developer, construction contractors and suppliers or the architect or engineers, or as may be required by law. A marketing floor numbering system is employed wherein certain floors numbers are not used (4, 13 & 14). Accordingly, the floor designation on the floor plan and in the building may differ from the construction floor designation.
